## Graphic & Web Designer, Digital Marketer

### ABOUT ME

Hi, I'm Charli. I'm a graphic & web designer and digital marketer. I hold an AA in Web Design from University of Phoenix and an AAS in both Graphic Design and Digital Marketing from Western Iowa Tech Community College.

My goal is to work in a fun, creative environment that will allow me to use my creativity and my design and digital marketing skills. I am always looking to improve upon my skills, whether by doing drawing/sketching prompts, reading books on Colour Theory, Typography, and Design Principles, or reading blog posts about what is "currently trending" in the design industry.

#### Hobbies

Reading  
Drawing  
Singing  
Video Games  
Blogging
